Drainage work at Naikanhatti, Chellakere Taluk

flg A-X Adverting to G O No L 7630-43/~~xxxxxx~~ Ml 102-42-76 dated 4th February 1943 sanctioning among others a grant of Rs 935/- for constructing drains in Naikanhatti, out of the Town Improvement grants for 1942-43, I have the honor to state that an estimate for Rs 1,870/- for the work was sanctioned by this office in September 1943.

The Sanitary Engineer reports that for quotations called for, two quotations were received on the due date quoting 25 per cent in excess of the estimated rates and another quotation was later received quoting 15 per cent over the estimated rates This will result in an excess of Rs 280-8-0, which is to be contributed by the Municipality and Government in equal porportion

I therefore request you to be so good as to obtain and convey sanction of Government to the acceptance of the lowest quotation of 15 per cent over the estimated rates and to a Government grant of Rs.140-4-0 out of Town Improvement grants during the current year

The Deputy Commissioner, Chitaldrug District is this day addressed regarding the willingness of the Municipality for the increased contribution due from them

I have the honour to be,
Sir,
Your most obedient servant,
